DEDICATION

Although he has left our school for service elsewhere, the memory of his many kind words and thoughtful deeds will remain in the hearts of IHS students for years to come. With appreciation for his many services to our school in past years, the 1953 Lair Staff proudly and with love for him dedicates the 1953 LAIR to

MR. ROY B. MATTHEWS.

Procrastination is the thief of time.
(May 29, 1953) Mrs. Sharp asked us
to always remember this.

Gynelle, I love you,
I love you. These words
are on my lips and in
my heart every time
I think of you.
Remember every true
day together in
English 5, 6
and Gynelle.

Remain the
lady you are. Love
now are. Love
J. Sharp

IRVING PUBLIC SCHOOLS

JOHN L. BEARD, SUPERINTENDENT

IRVING, TEXAS

February 28, 1953

L. W. WIMBISH, PRINCIPAL
IRVING SENIOR HIGH SCHOOL

Classmates--

Well, it's deadline day and we finally put this book together! Special thanks to those who helped to make this possible.

This makes the end of a lot of hard work, headaches, cramped fingers, and also loads of laughs and fun. But it doesn't put an end to all the memories that go hand in hand with a yearbook--

There was the School Board. No telling how many times they posed for us to take "just one more picture" (and that goes for the class sponsors, too.) It kept getting more and more embarrassing but now we can laugh about it. Then there were the coaches who kept suiting their teams out over and over again when something went wrong--it usually did. And the teachers who were always letting us out of class--we couldn't have done without those special permits. We couldn't have done without Mr. Wylie either--he always kept us laughing. Of course somebody was forever popping into the Lair Room to visit, asking questions, trying to sneak a glance at the pictures--wanting to know the combination to the box, trying to find out who was voted "Favorite." We griped like old maids--but it was fun.

We won't ever forget putting out the '53 Lair. It's our brain child and we like to think that we did our best. When we look over the pages we'll relive memories that can never be forgotten because it's all there in black and white and we hope all of you can do the same. Nothing that happened this year will ever happen again and we especially want to remember, for it's our Senior year.

So we just hope you all enjoy your '53 Lair as much as we have enjoyed working on it. And if you happen to have any complaints--the best thing you can do is to see the '54 Lair Staff because "it's all over but the memory."

Sincerely,

Sandy & Go
